Dear Willie:

I am writing to tell you that the Elites will play Memphis of the Negro American League, in Newport News, August 18th, and the Eagles will play the Elites there August 19th.

These should be two good attractions, and the fans should enjoy seeing a Western team.

I will have placards shipped to you right away.
I am writing Joe Lewis to get Portsmith for the Eagles and Elites for the 20th.

Please drop me a card letting me know you received this letter.

Very truly yours,

EM:s
